Resellers Information

Friday, May 8, 2020

We have a product that is specially made for your business. Be a reseller of Vacation Destinations British Columbia; CD-ROM.

WestCoast Treasures cdrom welcomes small, medium and large travel related businesses to sell our product. We welcome your inquiry today.

WestCoast Treasures cdrom provides a quality product and excellent service. Our product has surpassed the expectations and needs of the buyers and vacationer to British Columbia since its introduction.

WestCoast Treasures cdrom was founded partly upon the recognition of the gap in full information available to the visitor to BC.

In early development, our aim was to make a product that is easy to use. Our CD-ROM provides the information in a fast and friendly way and is affordable to all.

Vacation Destinations British Columbia CD-ROM can be tailor made for your private and corporate needs.

- As a reseller, we could include your business information (brochure, newsletter etc) in our cdrom package and mail-outs.
- We will prominently display your company logo on our web site with a link to your company web site.
- As a reseller your company is assured entry in future product upgrades.
- Special pricing is available on quantity orders.
- Be the "Travel Edge Partner", be a reseller.

Full Resellers Information and pricing are available on-line.
